

profile

Locksmith Services Pty.Ltd. now incorporates Frankston Locksmiths, Bayside Locksmiths and Mount Martha Locksmiths.

Formerly Frankston Locksmiths, Locksmith Services Pty.Ltd. was established in Frankston in 1973. A lot in commercial, domestic and automotive security technology has changed since then and in turn, so have we. Though throughout the history of the company one thing has stayed the same and will continue to stay the same, our on going commitment to providing a prompt, professional & personalised customer service. It is this service that has gained us an excellent reputation and a large, loyal customer base from Melbourne to Portsea.

All of our technicians are fully qualified locksmiths. We are prompt, professional lock and key experts.
